Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Sunday 18 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Generally dry and very warm, locally hot inland.

Today:
A dry, bright and sunny day across the region. Some fair weather cloud developing during the afternoon, most likely staying dry. Generally hot across the region, although cooling quickly in the southeast from late afternoon with an onshore breeze. Maximum temperature 32 deg C (90 deg F).

Tonight:
Patchy cloud lingering into the evening, then gradually fading away to leave clear skies across the region. Feeling very warm inland overnight. Minimum temperature 18 deg C (64 deg F).

Monday:
Staying clear during the morning with long sunny spells. Variable cloud during the afternoon with some light showers developing, mainly towards the west. Maximum temperature 31 deg C (88 deg F).

Outlook for Tuesday to Thursday:
Variable amounts of cloud with isolated showers on Tuesday and Wednesday afternoons, most likely dry on Thursday. Very warm, locally hot inland.
